

27th February 2014

Raise your consciousness...

The true meaning of Shiva (the consciousness, unlike what is depicted in movies. Sanaatan is all about oneness, non-duality. There is just one God): Shivoham Shivoham Shivaswarupoham
Nityoham shuddhoham buddhoham muktoham
Nityoham shuddhoham buddhoham muktoham
Shivoham Shivoham Shivaswarupoham

Shiva = the pure unbounded all-pervading consciousness (the transcendental self, the Absolute), Aham = I am, Shiva + Aham = Shivoham, swarup = the true form, nitya = eternal, shuddha = pure, buddha = intelligent, mukta = free.

“I am Shiva (the pure unbounded consciousness). I am the unbounded consciousness. I am the very form of the unbounded consciousness.

I am eternal. I am pure. I am intelligent. I am free.

I am eternal. I am pure. I am intelligent. I am free.

I am Shiva (the pure unbounded consciousness). I am the unbounded consciousness. I am the very form of the unbounded consciousness.”

Advaitaananda rupam-arupam

Brahmoham Brahmoham Brahmaswarupoham

Chidoham Chidoham Satchidaanandoham

Shivoham Shivoham Shivaswarupoham

Advaita = non-duality (oneness), Aananda = bliss, rupa = form, arupa = formless

Brahman = the pure unbounded all-pervading consciousness (the transcendental self, the Absolute), Chida = consciousness, Sat = Truth.

“The bliss of non-duality (oneness), that which is in all forms and yet formless.

I am Brahman (pure unbounded consciousness). I am Brahman. I am the very form of Brahman.

I am consciousness. I am consciousness. I am the bliss of consciousness which is the one Truth.

I am Shiva (the pure unbounded consciousness). I am the unbounded consciousness. I am the very form of the unbounded consciousness.”

Jise shastra kaate na agni jalaaye,

Ghalaaye na paani na mrityu mitaaye,

Wahi aathmaa Satchidaananda mai hoon,

Shivoham Shivoham Shivoham Shivoham

Jise = which, shastra = dagger, kaate = cut, na = nor, agni = fire, jalaaye = burn, ghalaaye = dissolve, paani = water, mrityu = death, mitaaye = destroy, wahi = that, aathmaa = soul, Sat = Truth, Chida = consciousness, Aananda = bliss, mai = I, hoon = am.

“That which cannot be cut by a dagger, nor burnt by fire.

That which cannot be dissolved by water, nor destroyed by death.

That very soul, the bliss of consciousness which is the truth, I am.

I am Shiva (the pure unbounded consciousness). I am the unbounded consciousness. I am the unbounded consciousness. I am the unbounded consciousness.”
